RE: RIDOH PUBLIC RECORDS AP#22-0649

Andrew Bostom, MD, MS
abostom@cox.net

Dear Dr. Bostom,

The Rhode Island Department of Health ("RIDOH") has completed its search for records responsive to your request. With respect to your request for the following information:

What I asked for, and still want:

Total and Primary Covid-19 Hospitalizations
During Most Recent 16-Week Period, RIDOH, 2/13/22 - 6/4/22]
Among Those 0-17 Year-Olds and 18+ Year-Olds

Age Group	Total Covid-19 Hospitalizations	Primary Covid-19 Hospitalizations
0-17	43	Fill in number
18+	1225	Fill in number

Attached please find a one (1) page document that is responsive to your request.

Thank you for your interest in keeping government open and accountable to the public.

/s/ Kenny Alston

Kenny Alston
Executive Counsel

Age Group	0-17				18+				Total		
	COVID illness is NOT a primary or contributing cause	COVID illness is known/suspected to be a contributing cause	COVID illness is known/suspected to be the primary cause	Unknown	0-17 SUBTOTAL	COVID illness is NOT a primary or contributing cause	COVID illness is known/suspected to be a contributing cause	COVID illness is known/suspected to be the primary cause		Unknown	18+ SUBTOTAL

Data as of June 6, 2022

Data Sources: RIDOH's COVID-19 Hospitalization Data Set, prepared by Rhode Island Department of Health COVID-19 Quant team.

Data Notes: Counts include out of state residents hospitalized in RI hospitals

Values less than five are suppressed for confidentiality. Any future use of counts to construct proportions, rates and other statistics is subject to reliability and privacy verifications specified under the small numerators and denominators sections of the State of Rhode Island Public Health Information reporting policy.
